Patient No Show Policy

We understand that situations arise in which you must cancel your scheduled appointment. It is therefore requested that if you must cancel your appointment, you provide at least 24 business hour notice by calling the office or sending a message through your patient portal. This will enable another person who is waiting for an appointment to be scheduled in that slot.

*Patients who do NOT show up for their scheduled appointment without a call to the office to cancel, or message through the portal 24 business hours prior will be considered as a NO SHOW.

*There will be a \$50 fee assessed for regular appointment types and a \$100 fee assessed for procedure appointments.

* Established patients who No Show 3 times will then go into review for discharge from the practice for "missed business opportunities and non-compliance to office policies"

*As a courtesy, when time allows, we make reminder calls for appointments. If you do not receive a reminder call or message, the above Policy will remain in effect.

No Show fees are the sole responsibility of the patient and are not billed or covered by your insurance.
